

## **Analyst in a fast-growing IB department**

Fordewind Group is a fast-growing finance company focused on investment in alternative assets (SME fixed income products) and investment banking services. The company is founded and led by highly experienced financial professionals (ex. J.P. Morgan, UBS, VTB Capital, Sberbank CIB, EY, KMPG). We are looking for an Analyst to accelerate the firm's expansion, providing an opportunity to dive deep into multiple practices (M&A, sell-side, buy-side, VC), exclusive team spirit, challenging tasks and chance to grow into leadership role quickly.

### **Key Responsibilities**

- In-depth analysis of investment opportunities (including market research, validation of the business model and its sustainability);
- Financial modeling and business valuation, critical assessment of projections, scenario analysis;
- Preparation of presentation materials and investment memorandums;
- Financial due diligence and verification of provided data;
- Active participation in client meetings;
- Business development streams and critical review of new business opportunities.

### **Requirements**

- 1-2 years of relevant experience in finance (Investment Banking, Equity Research, PE and VC funds, Strategy Consulting firms);
- Top of the class with preferences given to faculties with in-depth study of mathematics/physics (MIPT, Bauman MSTU, NES, HSE, MSU);
- Critical thinking and strong mental abilities;
- High motivation and ability to work extra hours;
- Strong understanding of corporate finance, economics, and accounting concepts (CFA, ACCA, CAIA is a plus);
- Focus on constant professional and personal development;
- Responsible and strong team player focused on the final result;
- Punctuality and ability to meet deadlines while working in multitask regime;
- High attention to detail;
- Fluency in English.

### **Our Offer**

- High level of independence with significant opportunities for career and professional growth;
- Steep learning curve across several finance practices (buy-side, sell-side, M&A, VC);
- Flat corporate structure;
- Flexible and “startup-like” working environment with young and motivated team members;
- Competitive compensation, transparent bonus system;
- One of the best expertise in dealmaking and transaction structuring on the Russian market;
- Opportunity to lead new business lines.
