

Fordewind Group is a fast-growing finance company focused on investments in alternative assets (SME fixed income products) and investment banking services. The company is founded and led by highly experienced financial professionals (ex. J.P. Morgan, UBS, VTB Capital, Sberbank CIB, EY, KMPG). We are looking for an Associate to accelerate the firm's expansion, providing an opportunity to excel in multiple practices (M&A, sell-side, buy-side, VC), high level of independence and chance to hone project management and leadership skills.

Key Responsibilities

- Leading the in-depth analysis of investment opportunities (including market research, validation of the business model and strategy);
- Structuring of presentation materials and investment memorandums;
- Preparation of complex financial models and business valuation opinions;
- Drafting of transaction documentation;
- Participation in financial due diligence and verification of provided data;
- Active involvement in negotiations and client meetings;
- Teamwork coordination and oversight across multiple projects;
- Mentoring junior colleagues;
- Sourcing and reviewing of new projects in the team pipeline;
- Critical review of new business opportunities.

Requirements

- 3-4 years of relevant experience in finance (Investment Banking, Equity Research, PE and VC funds, Strategy Consulting firms);
- Top of the class with preferences given to faculties with in-depth study of mathematics/physics (NES, HSE, MSU, MIPT, Bauman MSTU);
- Critical thinking and strong mental abilities;
- High motivation and ability to work extra hours;
- Strong understanding of corporate finance, economics, and accounting concepts (CFA, ACCA, CAIA is a plus);
- Focus on constant professional and personal development;
- Responsible and strong team player focused on the final result;
- Close attention to detail;
- Good communication and client management skills;
- Fluency in English.

Our Offer

- One of the best expertise in dealmaking and transaction structuring on the Russian market;
- Steep learning curve across several finance practices (buy-side, sell-side, M&A, PE/VC);
- High level of independence;
- Flat corporate structure;
- Flexible and “startup-like” working environment with young and motivated team members;
- Competitive compensation, transparent bonus system;
- Constantly growing deal pipeline;
- Opportunity to lead new business lines;
